Training Calendar:

The training calendar offers a range of courses in the field of alcohol and other drugs. Individuals can book the training by filling in the 'Booking Form' (pg.11) at the back of this document and emailing it or posting it.

Tailored training:

The option of requesting tailored "in-service" training for your services and organisations is available. Requests will be accommodated to the best of our ability, where possible. The "Request for In-Service Tailored Training Form" is available at the back of this document (pg.12). Call Christina for a brief discussion on your training needs.

Trainer Profile:

Christina Murray-McEleney completed her BSc Hons Degree with University of Ulster as part of that she studied addictions; she is an educational specialist in the field of alcohol & other drugs having completed her Post Graduate Specialist Diploma in Teaching, Learning & Scholarship with University of Limerick. Christina has been voluntarily undertaking courses herself annually for the last 18 years. She has lectured & guest lectured for eight years in various third level institutions namely University of Limerick, North West Regional College, Letterkenny IT and Sligo IT. Christina designs, develops and delivers a range of education & training in the field of alcohol & other drugs and has written third level modules. She works in partnership with the Alcohol Forum and HSE West (Donegal) and North West Regional Drug and Alcohol Task Force on specific & various projects to ensure the continuance of alcohol & other drugs training & education in the region. She is employed by Donegal Education & Training Board and is funded by North West Regional Drug & Alcohol Task Force (NWRDATF). Christina was pivotal in the design and delivery of the Midwives handbook & toolkit for the pilot initiative "A Prescription for a Healthy Pregnancy" in Letterkenny University Hospital 2014. Christina is a member of the National Addiction Training Programme (NATP), the Alcohol Forum Training & Education Sub-group, Prevention & Education Sub-group of NWRDATF, and a member of Donegal Education & Training Board Education Pillar. Christina is responsible for coordinating alcohol & other drug education & training in the North West Region. Other trainers may also engage in the delivery of training in the region.

SAOR: Screening & Brief Interventions (SBI)	
Course Duration: 1 day	Dates: March 11th – Donegal April 08th – Sligo May 13th – Leitrim
Who should attend? Staff who have occasion to ask people about their alcohol use. This could include workers from social care, family support, employment support, vocational training, criminal justice, probation, education, housing support and general health care services among others.	
Location: Donegal Sligo Leitrim	Venues: Radisson Hotel Radisson Hotel TBC
Number of places available: 20	Trainer: Christina Murray-McEleney
Course Description: A Brief intervention is amongst the most effective of psychosocial treatments across a range of health related behaviours. It's a short intervention and consists of a helpful conversation in relation to a person's alcohol consumption. A substantial body of literature exists which supports the use of a brief intervention in a range of health care settings to be effective in the reduction of problem alcohol consumption. The Steering group report on a Substance Misuse Strategy recommends that SBI training be extended to community, voluntary, health, social and criminal justice settings such as: Health clinics and community-based health services, Community and voluntary services, Mental health services, Educational, criminal justice and other community-based initiatives, Youth and sports organisations; Later life services	
Course Content: Evidence for the effectiveness of SBI for Alcohol and drug-related presentations to health, social care and other settings provision of an overview of the SAOR model of intervention for problem alcohol and drug use . Establishing a supportive working relationship with an individual when asking about their alcohol use and how to screen for alcohol use . Deliver a structured brief intervention based upon the SAOR model.	
Learning Outcomes <ul style="list-style-type: none"> • Critically discuss problem alcohol and drug use as it impacts their current work or area of practice. • Demonstrate an enhanced knowledge and awareness of contemporary models of screening and brief intervention for problem alcohol and drug use • Identify problem alcohol and drug users who present to health, social care settings • Utilise the SAOR model of Screening & Brief Intervention (SBI) in practice based scenarios • Discuss the application of the SAOR model of screening and brief intervention for problem alcohol and drug use into their practice • Access useful links and reference materials for further reading and research 	
Certification / Accreditation: A certificate of attendance will be awarded on completion of the training.

Location: Donegal
Sligo

Venue: TBC

Number of places available: 16

Trainer: Christina McEleney

Course Description: Facilitation is the theory and practice combined of working with people. Facilitation enables and empowers people to carry out a task or perform an action. A group facilitator uses certain skills in a process which allows the individuals/group reach their decision/ set their goal/learn a skill or what ever the task at hand might be. Facilitation is a developmental educational method which encourages people to share ideas, resources, opinions and to think critically in order to identify needs and find effective ways of satisfying those needs.

Course Content:

- To evaluate, recognize and put into practice the theory & practice of group work founded on the principles and values of group facilitation
- How to organise, plan, run and facilitate and evaluate group sessions with parameters, boundaries and group agreements
- Identify power, conflict and lack of participation in a group and how best to manage difficult situations
- Develop an insight into ethical behaviour as a facilitator and the use of your own power in the facilitator's role

Learning Outcomes:

- Understanding of group task, explicit processes and implicit processes
- Understand influence and power dynamics within a group
- Become an ethical group facilitator
- Plan, provide and manage and evaluate a group session

Certification / Accreditation:

A certificate of attendance will be awarded on completion of the training.
