Celebrate.  
Remember.  
Fight Back.

LYIT, Letterkenny

Starts Sat 30th May at 6pm

Closes Sun 31st May at 6pm

TOGETHER...

we'll see this journey through

## What is Relay for Life?

Relay for life is a **24 hour, overnight, community celebration** and a unique, empowering and fun event. At the heart of Relay is the opportunity to celebrate cancer survivors and to remember those who have left us.

## What happens during Relay?

Teams of people will take turns walking around a track LYIT. Because cancer never sleeps, each team is asked to have a representative on the track at all times during the 24 hour event. Otherwise team members are free to socialise, enjoy live entertainment and participate in lots of fun activities!

However, everyone in the community is invited to come along and experience this inspiring event of celebration and commemoration. Two of the **highlights** during the Relay event are **the Survivors' Lap** and **the Candle of Hope Ceremony**.

## Would you like to get involved?
