# Our community based Junior Choirs – Who we are, what we do & the benefits.....

- Established by Donegal Music Education Partnership (DMEP), our Junior Choirs aim to encourage and develop young voices in a fun and enjoyable way while providing unique learning opportunities.
- Fundamental vocal techniques and musicianship are taught through singing different styles of music including World music (eg African, Hebrew and folk songs), Pop songs, Contemporary and Classical choral repertoire.
- Group singing helps children develop greater listening skills and builds confidence and self-esteem.
- You will learn to sing harmony and in parts as well as improve your sight-reading skills.
- Being in one of the DMEP Junior Choirs will give you a chance to meet other singers and make new friends with opportunities to perform in a variety of concerts and in different venues and locations.
- It is a perfect stepping stone into individual voice lessons or, for older children, into our Donegal Youth Choir.
- Annual Membership Fee €100.00
