Follow your Wonderland map and Christmas lights through our magical woods. Santa says you must bring warm clothes, water-proof jacket and wellies!

Haven't sent your Santa letter yet? — no problem, bring it with you!

Join Santa by the fireside for your pressie, before he sets off on his very long sleigh journey with Rudolph and the reindeers.

Take a photo while you're here!

Help the elves with their last minute tasks in the workshop.

Make some decorations to take home with Arty Elf.

Hot Chocolate + Marshmallows for the kids.

Grown ups can relax by our open fire with some Fruit Punch, Mulled Wine (Santa says only if you're not driving!) and mince pies.

Bop till you drop with Santa's Disco Elves!!
