Stepping into your future...

**Do you feel stuck and are thinking about returning to education and training?
Are you unemployed and want to improve your education and skills?
Are you considering a change of career and want to know what steps to take next?**

...if so, check out the following list of education and training providers and support services, and see how your future can be different...

List of Invited Exhibitors

Donegal ETB are the statutory provider of further education and training opportunities for adults in Donegal ranging from adult basic education to courses preparing students for third level and training for employment. This year as part of our annual Further Education and Training Fair we have decided to showcase the wonderful range of courses available.

Acadamh na hOllscolaíochta: Provider of full and part time higher education courses delivered through the Irish language.

CAFRE: Provides courses in Agriculture, Floristry, Horticulture and Veterinary Nursing.

Citizens Information: Provider of up to date information on all aspects of rights and entitlements.

Department of Social Protection: Provider of support for unemployed people to access welfare payments and education & training supports.

Education, Recruitment & Marketing: A marketing organisation representing UK colleges and universities that are keen to recruit Irish students at undergraduate level. The following colleges will be represented: Mary Immaculate College, Limerick, Edge Hill University, Liverpool University, Thames Valley University and University of Bradford.

Eures: The purpose of EURES is to facilitate mobility in the European labour market by providing services to jobseekers and employers wishing to take advantage of the right of free movement for workers in the EU/ EEA. EURES provides information, guidance and facilitates cooperation between public labour market actors doing cross border matching, placement and recruitment.

Letterkenny Institute of Technology: Provider of full and part time higher education courses in Letterkenny & Killybegs and an Access Course for Mature Students.

North West Regional College: Provider of full and part time further and higher education courses including access courses for entry to University of Ulster and Queens University, Belfast.

Open University: Provider of a wide range of return to learning and higher education courses by distance learning.

Sligo College of Further Education: Provider of full and part time further & higher education courses.

South West College: Provider of full and part time further & higher education courses.

SUSI: Provider of Student Finance, PLC and third level grant information.

St. Angela's College, Sligo: Provider of full and part time higher education.

Sligo Institute of Technology: Provider of full and part time higher education.

Teagasc: The national body providing integrated research, advisory and training services to agriculture and the food industry.

Trinity College Dublin Access Programme: provider of an access course for mature students from disadvantaged backgrounds and under represented groups.

Ulster University: Provider of full and part time higher education courses.

'Thinking outside the box' Using Social Media to find opportunities

Grace Ann McGarvey, Digital Marketing Consultant

Grace Ann has over 20 years' client communications, PR and Digital Marketing experience, helping start ups, graduates and existing businesses and countless other charitable, sporting and executive organisations. Grace Ann supports them to use the web and social media to drive online visibility and generate leads that have resulted in new business online. Grace Ann believes that creative and unique digital marketing campaigns, create good customer relations, brand awareness and sales leads for her clients. She is creative, energetic, responsive, cost-effective and results orientated.

As well as a digital marketing consultant, Grace Ann is a qualified mentor and business coach and loves giving start ups, graduates and existing businesses fresh creative ideas and approaches to make them stand. To see new life being given to a business or a person in business is as rewarding for Grace Ann, as it is for the client! Grace Ann has mentored over 100 Graduates in the past 10 years and has provided them with valuable work experience and digital marketing knowledge. This has allowed them to bridge the gap between graduating and entering the workplace successfully. Grace Ann specialises in mentoring and managing clients and client accounts on how social media can play a huge role in gaining employment and attracting new clients through platforms such as LinkedIn, Facebook, Twitter, Instagram and Snapchat.

Outside the Box!

Looking for that break ... gone to loads of interviews and still not get "the job"? Not getting recognised in your current role or not sure what your manager expects? ... Then come along to Outside the Box!

This thirty minute Workshop will give you the practical know-how and understanding in a range of areas that are central to successfully securing and maintaining your place on "the job". Based on best practice and current knowledge in the area of recruitment and selection and getting to know your company's culture and vision. This workshop is one for everyone, whether you are looking for a job or would like to progress in the workplace.
