ETB Dhún na nGall

Thar ceann Bhord Oideachais agus Oiliúna Dhún na nGall, tá áthas orm ár Ráiteas Straitéise do 2022–2026 a chur i láthair. Táimid ag seoladh é i dtréimhse ina bhfuil athruithe móra ag tarlú, tar éis na paindéime domhanda a chuaigh i bhfeidhm go mór ar shaol ár bpobail, ár bhfoirne agus ár gcuid mac léinn.

Foreword by Chair of Donegal ETB

--

On behalf of Donegal Education and Training Board, I am pleased to present our Strategy Statement for 2022–2026. We are launching it in a period of great change, following the global pandemic which has had a profound effect on the lives of our communities, our staff and our students.

I bhfianaise scála na n-athruithe atá tarlaithe ó d'fhoilsíomar ár gcéad straitéis in 2017, tá sé léirithe ag BOO Dhún na nGall gur eagraíocht dhinimiciúil nuálaíoch é atá in oriúint go héasca d'éilimh nua, agus tá sé seo fíor go háirithe maidir leis an mbealach ar fhreagair muid. na dúshláin gan choinne le dhá bhliain anuas.

Ag tógáil ar an méid a baineadh amach le cúig bliana anuas, tá fíos uaillmhianach agus sraith cuspóirí leagtha amach inár straitéis nua a threoróidh ár gcuid oibre do na blianta atá le teacht. Táimid muiníneach agus dóchasach gur féidir linn leanúint ar aghaidh ag tógáil ar na láidreachtaí atá léirithe againn trínár bhfeidhmíocht rathúil san am atá caite. Tabharfaimid aghaidh ar ár ndúshláin amach anseo le tiomantas athnuaithe agus cabhróimid le Dún na nGall agus Réigiún Iarthuaisceart na Cathrach a dhéanamh i measc na n-áiteanna is fearr in Éirinn le maireachtáil agus le foghlaim ann.

Given the scale of the changes that have taken place since we published our first strategy in 2017, Donegal ETB has shown itself to be a dynamic and innovative organisation that adapts readily to new demands, and this has been especially true of the way we responded to the unforeseen challenges of the past two years.

Building on the achievements of the previous five years, in our new strategy we have set out an ambitious vision and a set of objectives that will guide our work for the coming years. We are confident and optimistic that we can continue to build on the strengths that we have demonstrated through our successful past performance. We will meet our future challenges with renewed commitment and we will help make Donegal and the North West City Region among the best places in Ireland to live and learn.

Leagann Ráiteas Straitéise ETB Dhún na nGall 2022-2026 amach na tosaíochtaí agus na cuspóirí ardleibhéal a bheidh muid ag iarraidh a bhaint amach sna cúig bliana amach romhainn. Beidh ár misean, ár bhfís, ár luachanna agus ár gcuspóirí mar bhunús ár bpleananna gníomhaíochta inár gcuid oifigí, scoileanna agus ionad.

Introduction by Chief Executive

--

Donegal ETB's Strategy Statement 2022-2026 sets out the high-level priorities and objectives that we aim to achieve over the next five years. Our mission, vision, values and objectives will form the basis of action plans in our offices, schools and centres.

Faoi cheannaireacht na Stiúrthóirí Scoileanna, Breisoideachais agus Oiliúna agus Tacaíochta Eagraíochta agus Forbartha, beidh an straitéis mar pháirt d'obair na seirbhísí uilig atá ag ETB Dhún na nGall agus beidh muid ábalta an rath a mheas, rud a léireoidh cé chomh maith agus atá ag éirí linn maidir lenár dtosaíochtaí agus ár gcuspóirí a bhaint amach.

Treoróidh an Ráiteas Straitéise pleannanna seirbhíse bliantúla don tréimhse 2022–2026, agus gach bliain tabharfaidh tuarascáil bhliantúil ETB Dhún na nGall cuntas ar an dul chun cinn atá déanta i dtaca leis na spriocanna atá leagtha amach sa ráiteas straitéise.

In ETB Dhún na nGall, creideann muid go ndéanann muid "obair mhaith" faoi mar a chuir Howard Gardner agus a fhoireann síos ar an scéal. Deirtear go bhfuil obair mhaith bunaithe ar thrí eilimint ar leith: sármhaitheas, eitic agus rannpháirtíocht. Déanann muid ár seacht ndícheall lena chinntí go bhfuil ár gcuid oibre ar ardchaighdeán, freagrach go sóisialta agus go morálta agus fiúntach do na daoine a bhíonn á déanamh.

Féachann muid leis na deiseanna oideachais agus oiliúna is fear agus is féidir a chur ar fáil do gach foghlaimeoir, trí bhaill foirne a fhostú atá ábalta a gcuid freagrachtaí a chomhlíonadh agus trí thimpeallachtaí dearfacha oibre agus foghlama a choinneáil.

Tá na caighdeáin is airde d'iompar gairmiúil againn, rud atá bunaithe ar an tuigbheáil go bhfuil freagracht mhorálta orainn agus go bhfuil sé de dhualgas orainn leas an phobail a chur chun cinn, bunaithe ar luachanna ionraice, cuntasachta, cothroime agus ionchuimsithe.

Éisteann muid lenár mbaill foirne, lenár mic léinn agus lenár gcompháirtithe; cuireann muid san áireamh iad maidir le spriocanna comhroinnte a leagan síos agus maidir lenár seacht ndícheall a dhéanamh lena mbaint amach.

Creideann muid go docht go bhfuil ár gcuid oibre i n ann saol daoine a athrú chun feabhas.

Under the leadership of Directors of Schools, Further Education and Training and Organisation Support and Development, the strategy will become part of the work of all Donegal ETB's services and there will be clear measures of success, which will show how well we are achieving our priorities and objectives.

The Strategy Statement will guide annual service plans for 2022–2026, and each year the ETB's annual report will document the progress that has been made on the goals and targets set in the strategy statement.

In Donegal ETB, we believe that we do "good work" as described by Howard Gardner and his team. They talk about good work being based on three distinct elements: excellence, ethics and engagement. We strive to make sure our work is excellent in quality, socially and morally responsible, and meaningful to practitioners.

We seek to offer the very best quality education and training opportunities to all learners, by employing staff who are equipped to carry out their responsibilities and by maintaining conducive working and learning environments.

We uphold the highest standards of professional behaviour, governed by a sense of moral responsibility and duty to the public good, based on values of honesty, accountability, fairness and inclusion.

We listen to our staff, our students and our partners; we involve them in setting shared goals and in doing our collective best to achieve them.

We truly believe that our work has the power to transform people's lives for the better.

Cad iad na huaillmhianta atá againn don todhchaí?

Tá sá mar aidhm againn roinnt mhaith spriocanna a bhaint amach d'ETB Dhún na nGall agus tá muid paiseanta fá dtaoibh de sin. Déanann muid ceiliúradh ar an iliomad éachtaí a rinne muid roimhe seo, ach is eol dúinn fosta go bhfuil ról tábhachtach againn maidir le forbairt fhadtéarmach Dhún na nGall mar áit iontach le maireachtáil ann, le hoibriú ann agus a bheith rathúil ann.

Sna cúig bliana amach romhainn, beidh folláine ár bhfoirne agus ár mac léinn fíorthábhachtach agus déanfaidh muid ár ndícheall leis na coinníollacha is fearr agus is féidir a chruthú, rud a ligfidh do gach duine a bheith faoi bhláth agus foghlaim. Forbróidh muid teacht aniar inár bhfoireann agus inár bpobail, ionas go bhféadfadh muid go léir aghaidh a thabhairt ar an todhchaí i ndiaidh na paindéime go muiníneach.

Donegal ETB will take a leadership role in our county, making it one of the best places in Ireland to live and learn. We will weave together the best parts of our vibrant history and heritage along with our culture of innovation to create a new and better future for our community.

Cad atá ag athrú inár saol?

--

Is iomaí athrú a tharla inár saol ó d'fhoilsigh muid ár straitéis 2017-2021. Bhí éifeacht dhomhanda ag cuid de na hathruithe, chuaigh cuid acu i bhfeidhm ar dhaoine ar leibhéal náisiúnta, agus bhí tionchar ag cuid acu ar Dhún na nGall go háirithe. Agus ár straitéis á leagan amach againn do na cúig bliana amach romhainn, rinne muid machnamh ar thionchar na n-athruithe le déanaí ar ár dtodhchaí. D'fhéach muid forsta ar na hathruithe i mbeartas rialtais a mbeidh tionchar aige ar ár gcuid oibre sna blianta amach romhainn.

- Tá timpeallacht urghnách ann le dhá bhliain anuas mar gheall ar phaindéim dhomhanda Covid-19. Is dócha go mbeidh éifeachtaí fadtéarmacha aige sin forsta ar na nithe seo a leanas: airgead rialtais, modhanna oibre a athrú, an t-éileamh ar uasailiúint agus ar athoilíúint a mhéadú le freastal ar riachtanais an gheilleagair atá ag athrú. Is dócha go bhfeicfidh muid níos mó daoine ag iarraidh bogadh go Dún na nGall i bhfianaise na ndúshlán agus na dtréimhsí leanúnacha a bhaineann le cónaí sa chathair, rud atá níos suntasaí fós i ndiaidh phaindéim Covid 19.
- Is fachtóir úr eile é Brexit - tá forbairt na nasc Thuaidh-Theas agus Thoir-Thiar an-ábhartha i nDún na nGall.
- Tá athrú suntasach á dhéanamh ar bheartas Rialtais maidir le hoideachas agus oiliúint, a rachaidh i bhfeidhm ar ár gcuid oibre sna blianta amach romhainn. Tá sé mar aidhm againn na gnéithe ábhartha de na forbairtí beartais seo a leanas a ionchorprú inár straitéis do 2022-2026:

- Ráiteas Straitéise 2021 - 2023 An Roinn Oideachais agus Scileanna.
- Straitéis úr do 2021-2023 de chuid na Roinne Breisoideachais agus Ardoideachais, Taighde, Nuálaíochta agus Eolaíochta.
- Athbhreithniú na Comhairle Náisiúnta Curaclaim agus Measúnaithe (NCCA) ar oideachas na Sraithe Sinsearaí.
- An straitéis maidir le todhchaí an bhreisoideachais agus na hoiliúna: An Fhoghlaim a Athrú ó Bhonn (2020-2024)
- Straitéis náisiúnta úr maidir le Litearthacht d'Aosaigh, Uimheartacht agus Scileanna Digiteacha.
- Straitéis Náisiúnta Scileanna na hÉireann 2025
- Ní mór dúinn ullmhú le haghaidh chruthú na hollscoile teicneolaíochta úire, a mbeidh Leitir Ceanainn mar chmpas aici, in éineacht le Sligeach agus Gaillimh/Maigh Eo. Is dócha go gcuirfidh forbairt Champas Mhig Aoidh Ollscoil Uladh deiseanna úra ar fáil san iarthuaisceart forsta.
- Saincheist a bhaineann le Dún na nGall is ea láithreacht Mhíoca i go leor tithe ar fud an chontae; is dócha go gcuirfidh sí dúshláin os comhair ár bpobal sna blianta amach romhainn. Déanfaidh ETB Dhún na nGall a dhícheall le freagairt go trúcaireach agus go tuisceanach ar riachtanais ár gcuid mac léinn agus foirne.
- Cuimsíonn Plean Náisiúnta Téarnaimh agus Athléimneachta an Rialtais 2021 an téama "An tAistriú Glas a Chur Chun Cinn". Cuirfidh ETB Dhún na nGall go dearfach leis an chlár oibre inbhuanaitheachta foriomlán trínár ngníomhartha féin, agus trí oideachas agus oiliúint a thabhairt don chéad ghlúin eile ar chúrsaí timpeallacha.

What is changing in our world?

--

Much has changed in our world since we published our 2017-2021 strategy. Some of the changes have had a global effect, some have been at national level, and others have been felt especially in Donegal. In setting out our strategy for the next five years, we have considered the impact of recent changes for our future. We have also looked at the changes in government policy that will influence our work in the coming years.

- The global pandemic, Covid-19, has created an extraordinary environment over the past two years. It is also likely to have longer-term effects, for example on government finances, changing ways of working, increasing the demand for upskilling and reskilling to meet the needs of the changing economy. We are also likely to see more people seeking to move to Donegal in light of the ongoing challenges and strains of city living that have become even more pronounced following the Covid-19 pandemic.
- Brexit is another new factor - the development of North-South and East-West links is very relevant in Donegal.
- Government policy on education and training is undergoing significant change, which will affect our work over the coming years. We aim to incorporate the relevant aspects of the following policy developments into our strategy for 2022–2026:

- The Department of Education Strategy Statement 2021–2023.
 - The new Department of Further and Higher Education, Research, Innovation and Science Strategy for 2021–2023.
 - The National Council for Curriculum and Assessment (NCCA) review of Senior Cycle education.
 - The further education and training strategy, Future FET: Transforming Learning (2020–2024).
 - Adult Literacy for Life (ALL): A 10 Year Adult Literacy, Numeracy and Digital Literacy Strategy.
 - Ireland's National Skills Strategy 2025.
- We need to prepare for the creation of the new technological university, which will have Letterkenny as a campus, along with Sligo and Galway/Mayo. The development of Ulster University's Magee Campus is also likely to present new opportunities in the north-west.
- An issue that concerns Donegal is the presence of Mica in many homes throughout the county, which is likely to present challenges to our communities in the coming years. Donegal ETB will strive to respond to the needs of our affected students and staff with compassion and understanding.
- The Government's National Recovery and Resilience Plan 2021 includes the theme of "Advancing the Green Transition". Donegal ETB will make a positive contribution to the overall sustainability agenda both through our own actions, and by educating and training the next generation on environmental matters.

Faoi 2026, beidh deiseanna saoil feabhsaithe againn do dhaoine i nDún na nGall, trí chuidiú leo a bheith rathúil san oideachas agus san oiliúint.

*Nóta maidir leis na téarmaí a úsáideann muid

--

Lenár ráiteas straitéise a dhéanamh soiléir agus inléite, úsáideann muid an téarma "mac léinn" le tagairt a dhéanamh d'fhoghlaimeoírí inár gcláir oideachais agus oiliúna uilig. Mar an gcéanna, úsáideann muid an téarma "teagascóir" le tagairt a dhéanamh d'oidí, do theagascóirí, d'oiliúinóirí agus do mhúinteoirí.

What is in our strategy for 2022-2026?

In our strategy for 2022- 2026, we start by setting out the mission, vision and values that will guide us in our work over the next five years. We then outline our priorities and objectives under three themes:

- Teaching, learning and assessment.
- A progressive, accountable organisation .
- Working with our partners.

Mission

--

Donegal ETB offers education and training opportunities that help students to achieve their full potential and to contribute to the social, cultural and economic life of their communities.

Vision

Donegal ETB - transforming learning, changing lives

By 2026, we will have improved the life chances of people in Donegal, by helping them to achieve success in education and training.

*Note on the terms we use

--

To make our strategy statement clear and readable, we use the term "student" to include learners in all our education and training programmes. Likewise, we use the term "teacher" to include tutors, instructors, trainers and teachers.

Luachanna

Is eagraíocht foghlama muid.

Cuireann muid mic léinn i gcroílár ár gcuid oibre. Tá gach rud a dhéanann muid le freastal ar leas ár gcuid mac léinn bunaithe ar ár mbunluachanna: barr feabhas; comhionannas; cúram; pobal, agus meas.

Barr feabhas

Déanann muid ár ndícheall le barr feabhas a bhaint amach i ngach gné dár gcuid oibre. Tá muid tiomanta do na caighdeán teagaisc, foghlama agus measúnaithe is airde a bhaint amach inár gcláir uilig. Is mór againn an nuálaíocht agus déanann muid iarracht feabhas a chur ar ár gcuid seirbhísí ar bhonn leanúnach, ag tacú lenár bhfoireann le deiseanna forbartha gairmiúla a thapú.

Comhionannas

Déanann muid ár ndícheall lena chinntíú go dtugtar comhdheiseanna do gach mac léinn le páirt a ghlacadh inár gcláir oideachais agus oiliúna atá bunaithe ar mheas ar chearta an duine agus ar éagsúlacht. Cuimsíonn ár bpobail foghlama agus oibre cine, inscne, reiligiún nó creideamh, aois, stádas teaghlaigh, stádas sibhialta, daoine den Lucht Siúil, claonadh gnéasach, cumas agus stádas socheacnamaíoch. Mar fhostóir, is mór againn an éagsúlacht agus tá sé mar aidhm againn a bheith lánchuimsitheach inár bhfoirne.

Cúram

Tugann muid aire do leas ár gcuid mac léinn agus ár bhfoireann trí thimpeallachtaí sábháilte fáiltiúla a chruthú don fhoghlaim agus don obair. Tá cultúr againn a aithníonn agus a cheiliúrann éachtaí na mac léinn agus na foirne. Ag an am céanna tacaíonn muid le daoine a bhfuil dúshláin acu ina saol.

Pobal

Cuimsíonn pobal ETB Dhún na nGall ár bhfoireann, ár gcuid mac léinn agus ár gcomhpháirtithe, ag obair le chéile lenár gcuspóirí comhchoiteanna a bhaint amach. Tá dlúthnasc againn le pobail ar fud Dhún na nGall. Is mór againn na comhpháirtíochtaí atá forbartha againn le grúpaí agus eagraíochtaí eile chun tairbhí sóisialta, cultúrtha agus eacnamaíocha a thabhairt don chontae.

Meas

Tugann muid ómós do gach duine. Tá ár gcaidrimh le mic léinn, le baill foirne agus le pobail bunaithe ar oscailteach agus ar mhuijnín. Tá meas againn ar na dlíthe agus ar na rialacha a rialaíonn gach gné dár gcuid oibre: oibríonn muid laistigh de chultúr cuntasachta, cothroime, macántachta agus uilechuimsitheachta.

Next steps:

— putting the strategy into action

The strategy statement sets out the priorities and objectives that Donegal ETB aims to achieve in the period 2022-2026. However, the real work of implementing the strategy starts when it becomes part of the planning process in each of our schools and services, and it guides their work for the next five years. The Directors of Schools, Further Education and Training, and Organisation Support and Development will lead the next phase of the process. They will help to ensure that there are clear measures of success to show how well we are achieving our objectives over the period of the plan.

Guided by the Directors, each school, service, centre and office will consider how they will put the strategy into action by including it within their own planning process. Early in 2022, they will set out actions and targets for the next five years that are clearly linked to the priorities and objectives in the strategy statement. They will incorporate the actions into each year's service plan, and they will also develop the measures of success that they will use to assess their progress towards the objectives in their annual reports each year.

The successful implementation of our strategy will show that we are fulfilling our mission and achieving our vision, by transforming learning to change the lives of people in Donegal.
